Realms of Legal Interpretation Apr 07 2021 "In Realms of Legal Interpretation, Kent Greenawalt focuses on how courts decide what is legally forbidden or authorized, and how context shapes their decisions. The problem, he argues, is that we do not, and never have, agreed on all the details of the standards United States judges should employ - like everyone else, judges have different ideas of what constitutes good common sense. Moreover, circumstance regularly throws up hurdles... Different judges react in different ways. Acknowledging that courts will never agree upon a uniform approach to applying norms and interpreting the law, Greenawalt's aim is to provide a capacious, user-friendly model for approaching hard cases sensibly in both public and private law. Just as importantly, the book serves as a pithy guide to the major forms of legal interpretation for nonlawyers" --

The Elements of Law Dec 16 2021

Elements of Legal Writing Nov 26 2022 This easy-to-use primer lays out 135 principles of clear writing, dictation, tone, grammar, syntax, organization, and format. Filled with before-and-after examples and illustrations from the legal world, the book is both a welcome refresher for the practicing lawyer and an indispensable reference for anyone in the legal profession.

The Elements of Law Mar 31 2023

Elements of Legal Method Jan 29 2023

Elements of Law Dec 28 2022 This casebook is ideal for any introduction to law or legal method course. It is designed to develop analytic, interpretive, and advocacy skills that will be helpful to students across the range of substantive courses, while also encouraging students to think critically about the judicial process and the role of judges in a democracy. The second edition of Elements of Law significantly reworks and updates the first edition, which was published in 1994, while preserving the essential features and many of the principal cases from that edition. This edition is more compact than its predecessor because the lengthy materials on jurisprudence

have been eliminated. Thus, half of the book is devoted to the common law and half to statutory interpretation.

Elements of the Law of Contract Nov 02 2020

Criminal Law Elements Jan 23 2020 Criminal Law Elements,

fourth edition is a succinct introduction to the essential elements of criminal law for students and academics. This is an updated edition of the popular Essential Criminal Law title. This edition reflects recent major changes in the following areas of law: homicide, assault, sexual assault, property offences and defences. New learning features include tips for students and legal-problem solving exercises. The author has created a text that is accessible, current and provides a clear statement of the elements of offences studied by students of criminal law in common law states.
